Come join the Society in celebrating our annual summer social event, the ESP cookout and picnic. This year the Board has decided to rent two charcoal grills to cook the steaks instead of using the Fire Company's charcoal pits. Hopefully this will alleviate the excessive cooking times and low heat that has been experienced the last few years. The grills will be available starting at 4:30 PM, so plan on arriving early.

In addition to the food and drink, we will have various other activities available, such as horseshoes, volleyball, and basketball. The closest-to-the-pin golfing competition will be held again, so be ready to settle some old scores. Drawings for a 50-50 raffle and our famous door prizes will be held around 8:00 PM. Please note that this year attendees will be given a door prize ticket with their name on it, and you must be present to claim your prize. In case of rain, there is a large screened in pavilion so that picnic activities may be held indoors as needed.

Because the Lisburn Fire Company requires an accurate count of the number attending, please **sign in** at the registration table upon your arrival. See you at the picnic!
