Spring is just around the corner and with Spring comes the promise of renewal and more importantly, warm weather! Paralleling the idea of renewal is this month's ESP newsletter. Included with it you will find a ballot for the 2009 - 2010 Board of Directors. Like the changing of the seasons, so too must the ESP Board change. As you read in the bylaws that were voted for revision in January, it is a requirement that each year the members vote for a new board of directors at the end of the fiscal year. Please take this opportunity to review the ballot and cast your vote.

To have your vote officially counted, please send your completed ballot, by Friday, March 20, 2009, to Barb Schiffer by either scanning it into a pdf file and emailing it to bschiffer@centuryeng.com or via the USPS at

Barb Schiffer

*Note: If sending it electronically, please be sure to still print your ballot, fill it out, and sign it before scanning it into pdf format. An email with only the names of those you intend to vote for will not be accepted. Thank you for your cooperation.

REVISED CONSTITUTION AND BY-LAWS

In January, the Board proposed changes to the Constitution and By-laws and asked that all members vote for approval. After tallying up the responses received, the vote was unanimously in favor of approving the changes. The Board thanks those who responded and is confident these minor changes will only make the organization better. These changes will be effective as of May 1, 2009, when the new board of directors takes over.
