Happy Spring! The Engineers Society of Pennsylvania's Board of Directors hopes everyone is enjoying the warmer temperatures and longer days. Although we have had some cooler nights mixed in with some beautiful days, Spring is here and those warm temperatures are sure to be more frequent. In celebration of Spring, the Board invites you to join us on Wednesday, April 22, 2009 at 5 p.m. as we take a tour of Hersheypark's newest attraction, The Boardwalk, The SEAquel. This new section of the park includes two features - the Intercoastal Waterway, a lazy river ride around the boardwalk area, and the Shore, a giant wave pool. We'll have the opportunity to see the mechanics behind the rides and how construction is progressing as the Park ready's for its May 23, 2009 opening of The Boardwalk, The Seaquel. If you are interested in attending, please contact Andrew Ottinger using the contact information above.

Mark your calendars for the annual dinner meeting introducing the new Board members. This year's dinner will be at Coakley's in New Cumberland on Saturday, May 2, 2009. A dinner buffet will be provided starting at 5 p.m. Dinner selections include choice of lobster ravioli, roast beef, stuffed chicken breast, fresh vegetable medley, tossed salad, fruit salad, red skin mashed potatoes, a selection of cakes and pies, and coffee, tea, and soda. This year, though, we are trying something a little different. In years past the annual dinner included dinner and a show. ESP will provide each attendant a movie pass to the movie theater. If you feel inclined to use it that night, you should have plenty of time to make it to the movie of your choice. If you are having fun and do not want to leave the restaurant that early or there is no movie you are interested in seeing that weekend, you can save your movie voucher for another night and see a movie of your choice. The Board hopes these changes will get more members interested in attending, where in the past they may not because of having one show to attend. The cost is \$15 for members and \$20 for non-members. Please RSVP to Barb Schiffer by Friday, April 24, 2009 using the contact information above. We hope to see you on the 2<sup>nd</sup> of May!
